

# Your Leviton Partner Portal

Leviton's new Marketing Portal provides an all-encompassing dashboard to access digital resources and innovative tools to promote, train and educate all Leviton latest solutions.

## Your Partner Portal

The Leviton Partner Portal provides users with instant access to Leviton's latest new product introduction, Co-branded materials, Training, Exclusive Promotions and more.

## New Product Introductions

Learn about the latest Leviton products as soon as they are released. Gain access to the tools and collateral for launching successful marketing and sales campaigns.

## Digital & Social Media Content

Download the latest web banners, email marketing text and images to support the hottest Leviton products in your portfolio and get a jump start on your marketing efforts.

## Education and News

Easily access Leviton's EZ-learn Courses through your exclusive Partner Portal. With over 100 industry leading training courses, select from basic to advanced trainings that meet the needs of your teams.

## Newsletters

Enjoy Leviton's latest publications to learn more about the latest new products industry trends, business tips and more.
