

# VerifEye™ Building Manager Online Support Service Plans

## DESCRIPTION

VerifEye™ Building Manager Online (BMO) delivers quick-and-easy access to energy monitoring information for code compliance, executive reporting and tenant billing applications. With the BMO Support Service Plans, end-users get a step-by-step walkthrough and training on each of the BMO Modules.

BMO Support Service Plans are purchased separately and include either a 90-day or 12-month support plan. Each service plan gives the end user thorough training and review of each of the modules by skilled Leviton Metering & Verification Application Engineers.

Each training provides:

- Software functionality walkthrough of each module
- Setup and configuration assistance with any of the modules.

## FEATURES

- Trainings are scheduled in 1 hour blocks per day
- 90-Day Service Plan—begins when the first appointment is scheduled, and ends 90 days after the first appointment
- 12-Month Service Plan—begins when the first appointment is scheduled, and ends 12 months after the first appointment
- Trainings are by appointment only between 8:00AM and 5:00PM Pacific Time
  - Call 800-959-6004 or e-mail meters@leviton.com
  - The last appointment of the day is at 4PM Pacific Time
