

# A Smart Home is Easy with Leviton

## SMART CIRCUIT BREAKERS

By installing 2<sup>nd</sup> Gen Smart Circuit Breakers in a Leviton Load Center with compatible Automatic Transfer Switch and backup Generator, you can eliminate the need for a secondary Essential Loads Panel; when grid power fails, keep essential circuits powered and automatically shed nonessential loads.\* Designate essential loads in the My Leviton app and change them at any time, with no need for re-wiring. **It's as easy as 1...2...3!**

\*Requires LWHEM and 2nd Gen Smart Circuit Breakers for essential and non-essential circuit. Requires LWHEM integration with an Automatic Transfer Switch via a contact input.

## Energy Use

- View real-time energy consumption: total aggregate, individual circuit, or trends by week, month, and year
- Monitor energy production from your solar, generator and battery power, too<sup>2</sup>
- Calculate your approximate total energy cost per month

## Control

- Remotely turn 2<sup>nd</sup> Gen Smart Circuit Breakers ON or OFF
- Set up custom breaker schedules in the My Leviton app to save energy<sup>1</sup>

## Alerts & Updates

- Anomaly detection technology sends alerts via the My Leviton app if a circuit is drawing power for an unusual length of time, so homeowners can prevent a disaster from happening, even when they aren't home
- Via remote firmware updates, get the latest protection capabilities and newest features

Learn more at [leviton.com/loadcenter](https://leviton.com/loadcenter)

1. Requires Leviton 2nd Gen Smart Circuit Breakers  
 2. Requires LWHEM-2; additional pairs of LSMMA (CTs) may be purchased to monitor multiple energy sources

## SMART LIGHTING

Swap out a standard switch with a Decora Smart® Wi-Fi® device and enjoy the freedom of controlling your lights, ceiling fans, table lamps, small appliances and more using your voice or from your smartphone or tablet.

**Anytime. Anywhere.**

Single App Control

The My Leviton app consolidates control of the Leviton Load Center's smart circuit breakers and the Decora Smart® Wi-Fi® product lines.

Available for download at

## A SOLUTION FOR EVERY ROOM AND HOME

Beyond control and customization of all Leviton smart devices, the My Leviton app delivers a streamlined Smart Home and Energy Management experience by unifying control, scheduling, and personalization of Leviton Smart Circuit Breakers, Decora Smart Wi-Fi Lighting, and Evr-Green® Electric Vehicle Chargers in a single interface. Homeowners can track whole-home energy use trends and make changes to conserve energy and save money.
